Dear Mr. Wood:

Pursuant to IC 4-22-2-28, the Indiana Economic Development Corporation ("IEDC") has reviewed the economic impact analysis for small business associated with rule changes contained in LSA Document 09-167 proposed by the Indiana Department of Child Services ("DCS"). The proposed rule adds 465 IAC 2-14 concerning independent living transitional services plans (TSP). The proposed rule requires preparation of transitional services plans for youth aging out of foster care and transitioning to independent living and will affect approximately 300 children annually.

The economic impact statement prepared by the DCS indicates that the proposed rule will result in no increased costs to small businesses.

The IEDC does not object to the economic impact to small businesses associated with the proposed rule. If you have any questions about the comments contained herein please contact me at 232-8962 or rasberry@iedc.in.gov.
